#### STATEMENT BY RIGHT TO VOTE

As a group, Right to Vote is resolute in its commitment to a public final say. We will continue to work with people from all parties to achieve this outcome.

Anna Soubry MP, Dr Sarah Wollaston MP and Heidi Allen MP are founding members of our group and share our outlook and values. We look forward to working with them in their new capacity. We are a broad church and we will continue to work together to give the public the right to vote and a final say on the Brexit process.
